Aurélie MAFFO

.NET DEVELOPER
https://gaellemaffo.net/

Three years ago, I decide to change my professionnal guidance. I'm at the end of my cursus and in few months, i get my bachelor's degree in IT Management. I'm currently looking for a stage. I sure that with the experience that i acquire in these last years, i have necessary skills to work in a development team. I'm familiar with c#, .NET Frameworks, Javascript, JQuery, Typescript, and so on

✔ambitious   ✔strongly motivated   ✔Team work   ✔Fast Learner
